Single Equalities Policy and Action Plan

Statement of Principles

The policy outlines the commitment of the staff, pupils and governors of Longridge C of E Primary School to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At Longridge C of E Primary School, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

Our school is driven by its values which go beyond measurable results. Achievement in the classroom is crucial, though our priority is not examination grades but the stimulation of independent enquiry and intellectual curiosity. In each individual we seek to encourage leadership, and to nurture boys and girls to become confident, caring and contributing citizens in the modern world. By affording our pupils the opportunity to explore their inner selves - so that they derive a sense of personal worth, we actively promote personal integrity, tolerance, understanding and independence of thought. We encourage young people to work with and learn from each other, as well as to show moral courage to stand up for what they believe in. The breadth of a Longridge C of E Primary education supports our pupils in challenging themselves and develops their abilities to communicate with others. We believe these values remain with them for life.

Longridge C of E Primary School is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We collect and analyse a range of equality information for our pupils/students ensuring all groups are looked at e.g. free school meals, girls, boys, SEN.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information. At staff meeting we discuss children causing concern and agree a plan of action.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disabilism, sexism, homophobia and all forms of bullying
- Parental involvement
- Participation in Extended Learning Opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Longridge C of E Primary School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

The Employment Duty within the legislation states all schools should collect information on staff in post, and applicants for employment, training and promotion. This is deemed to be best practice in order to identify potentially discriminatory practice.

We collect and analyse a range of profile information for our staff and governors:

For example, applicants for employment, staff profile, governing body profile, attendance at training events, disciplinary and grievance cases, staff appraisal. This information is deemed to be confidential.

We have identified the following issues from the analysis of the data:

- Staff have not completed the equalities questionnaire for some years. This will be undertaken in the Autumn term 2014.

Due regard is given to the promotion of equality in the School Improvement Plan. The lead person responsible for the monitoring and evaluation of the policy and action plan is the headteacher, although all staff play a key active part.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

Developing Best Practice

- Use materials to promote a positive image of and attitude towards disability and disabled people

We understand that under the Equality Act 2010, in very limited circumstances, an employer can claim that a certain religious denomination or belief is considered to be a genuine occupational requirement of that role. An aided school may be able to rely on this for some roles in school, particularly those roles that provide spiritual leadership.

In addition, there are also instances in which a job will qualify for a genuine occupational requirement on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

Partnerships with Parents/Carers/Families and the Wider Community

We will work with parents/carers to help all pupils to achieve their potential.

- All parents/carers are encouraged to participate in the full life of the school.
- Setting up, as part of the schools' commitment to equality and diversity, a group made up of all stakeholders of the school community. This has been/will be developed to support the school with matters related to its equalities duties
- Members of the local community are encouraged to join in school activities
- Exploring the possibility of the school having a role to play in supporting new and settled communities

Roles and Responsibilities

- Our Governing Body will ensure that the school complies with statutory requirements in respect of this policy and action plan
- The headteacher is responsible for the implementation of this policy, and will ensure that staff are aware of their responsibilities, that they are given necessary training and support and report progress to the Governing Body
- The headteacher has day-to-day responsibility for co-ordinating the implementation of this policy
- Our staff will promote an inclusive and collaborative ethos in the school, challenge inappropriate language and behaviour, respond appropriately to incidents of discrimination and harassment, ensure appropriate support for children with additional needs and maintain a good level of awareness of equalities issues
- All members of the school community have a responsibility to treat each other with respect, to feel valued, and to speak out if they witness or are subject to any inappropriate language or behaviour

Commissioning and Procurement

Longridge C of E Primary School will ensure that we buy services from organisations that comply with equality legislation. This will be a significant factor in any tendering process.

The Measurement of Impact of the Policy

This policy will be evaluated and monitored for its impact on pupils, staff, parents and carers from the different groups that make up our school. An action plan will be published to enable an impact assessment to be undertaken at the appropriate time within a given timescale.

Publicising the Policy and Plan

This Policy is a public document that will be made available to any interested stakeholder. We will be publicising the Policy via the school website, staff and parent newsletter, induction booklets.

Annual Review of Progress

We are legally required to report annually on your progress and performance in respect of this policy covering ethnicity, disability and gender and to report annually on our progress to improve access for disabled pupils, including access to the curriculum, physical access and access to information. Taking this single equality approach, we will incorporate all requirements into one annual report which meets the requirements of the new legislation and which will formulate the basis for the annual action plan.

Equality Impact Analysis

Undertaking equality impact analysis (EIAs) is similar to undertaking health and safety risk assessments. It involves predicting and assessing what the implications of a policy, function or strategy will be on a wide range of people.

EIAs are a way in which we can analyse all of our work to ensure it meets the needs of all our service users and that no group (in relation to ethnicity, disability, gender, age, religion and belief, and sexual orientation) is disadvantaged or cannot access our services.
