Our Golden Rules for Staying Safe with ICT (KS2)

We always ask permission before using the internet.

We only use the Internet when a trusted adult is around.

We immediately close/minimise any page we are uncomfortable with (or if possible switch off the monitor).

We always tell an adult if we see anything we are uncomfortable with.

We only communicate online with people a trusted adult has approved.

All our online communications are polite and friendly.

We never give out our own, or others', personal information or passwords and are very careful with the information that we share online.

We only use programmes and content which have been installed by the school.
