

Each child is given a homework folder. This will be sent home each Wednesday with new homework in it. It needs to be completed and returned to school on Monday. Each week there will be some Maths and English Homework.

Spelling Tests take place on a Wednesday and new spellings will be sent home. These are to be practiced at home and all children have a Spelling Frame log in to practice online.

The children should be reading at home every day. Please use their bookmarks to help them with their questioning.
