

Hothersall Lodge update - 23.04.23

Many thanks for the completed forms and payment for the residential. The children are already beginning to get excited about it, and are counting down the days. I will be forwarding the forms on to CPAS on Monday 24th May.

On May 3rd I will be attending a meeting with leaders from the venture, other schools and the church, to finalise details such as sleeping arrangements etc..

I will send you a detailed letter as soon as the meeting is ended. If you have any questions, please email me and I will answer them as best as I can. What I can tell you at the moment is that the children will leave school at 11:30am and will be taken by mini buses to Hothersall Lodge. They will need a packed lunch.

(Please note there is no transport back to school on the Saturday and parents are requested to pick their child up from Hothersall Lodge at an allocated time)

Many thanks for all of your support and patience, I am positive the children will have a fantastic time. Here are a few pictures of the activities the children will be doing whilst at Hothersall Lodge.
