

Autumn 1
2023

English - This half term we will begin by reading and enjoying stories set in a familiar setting. We will be focusing on Bedtime Stories; the children will build up to writing their own bedtime story. We will then move onto enjoying a non-fiction unit all about animals. The children will create their own Non-chronological Report and finally we will continue the animal theme with a poetry unit on Riddles.

Maths - This half term is all about number! We will begin with a unit on Numbers to 100 - there will be lots of counting and partitioning. Please practice this at home especially counting forwards and backwards and crossing the 10s boundaries. We will then spend a few weeks on addition and subtraction before moving onto multiplication of 2, 5 and 10.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Science - We begin the year Exploring Everyday Materials. The children will be looking at the properties and uses of a range of different materials then testing whether they will squash, bend, stretch or twist.

Geography - This half term we are learning all about the UK and the place where we live. We will learn all about the different countries in the UK, their capital cities, National icons and lots more.

PE - In PE this half term we are completing a games unit based on playground games. The children will continue to develop their Fundamental Movement skills as they learn various different traditional team games.

RE - In RE this half term we will be learning all about the Bible. The children will explore the Bible and why it is our Christian Holy Book. We will enjoy a visit from Reverend Mike or Reverend Simon and will then branch out to explore the Holy Texts from other World Religions.

Computing - We are going to be learning all about Information and Technology Around Us. The children will look at IT and its uses at home, at school and around the world. We will also explore how to use IT safely.

Art - We begin the year focusing on Patterns in Nature. The children will look at the patterns they see in the environment all around us and we will look at the work of the artist Andy Warhol before focusing on different African patterns. The children will finish the unit making their own printing block.
