

**English** - This half term we are looking at letters. Following on from our unit on Paddington we will be looking at the letters he might sent to Aunt Lucy in Peru! Following on from this we are going to be spending some time looking at Riddles before enjoying Fantastic Mr Fox!

**Maths** - We are finishing our work on Fractions this half term before moving onto time, money and shape.

**Science** - Growing Plants is our topic this half term. The children will be finding out all about seeds and bulbs before conducting an investigation into the germination process!

**Geography** - This half term we are learning all about the Ribble

Valley. We will be exploring our local area using maps and aerial photographs.

**PE** - In PE this half term we are exploring a Dance unit entitled 'Rainforest'

**RE** - Our RE work this half term is based all around the

Easter symbols. We will be exploring the different symbols that we see in church and through the Easter story. We will also be taking part in a Lent Challenge!

**Computing** - We are looking at Pictograms in our Computing work this half term. We will be handling data and creating lots of Pictograms.

**DT** - This half term we will investigate different structures. The children will be investigating what buildings are made from, trying to build a free-standing wall using nothing but paper and designing their own house.
