

Summer 1 2023

**English** - This half term we continuing to enjoy the work of Roald Dahl and we will be finishing our unit on Fantastic Mr Fox. We will also be doing lots of spelling and grammar work in preparation for our SATs before looking at a non-fiction unit on Explanation Texts.

**Maths** - This half term we will be completing our work on 3D shape before recapping and revising all of the skills we have learned so far this year.

**Science** - We are completing the second half of our Growing Plants topic this half term. The children will be conducting investigations into the germination process!

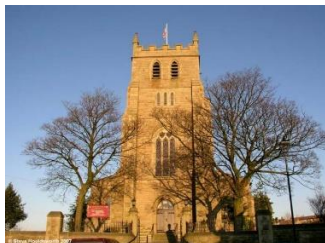

**History** - This half term we are learning all about the Great Fire of London. This is a very exciting topic where we learn all about this major event in history and the invention of the fire service we know today.

**PE** - In PE this half term we are developing our ball control skills particularly in the area of kicking.

**RE** - In RE this half term we will be learning all about the Church and what this looks like in real life.

**Computing** - We are going to be learning all about algorithms in Computing this half term. Using our skills to create, test and debug our own programming algorithms.

**Art** - In our artwork this half term will be exploring 'Colour Chaos' and we will be investigating colour - using colour, mixing colour, how artists use colour.
