

Resources to help you learn your tables ready for the MTC checks.

<https://www.timestables.co.uk/multiplication-tables-check/>

Easy to use. Provides a record of scores achieved, and answers that are correct (in green) and incorrect (in red) allowing you to focus more on specific tables. It also tells you how long they took to answer a question.

<https://urbrainy.com/mtc>

Easy to use - The children have been using this in school and so are familiar with the way it works. This provides a record of results and also tables that require more work.

[https://talkingtimestables.uk/y4\\_ks2\\_mtc\\_practice\\_tests\\_multiplication\\_tables\\_check.php](https://talkingtimestables.uk/y4_ks2_mtc_practice_tests_multiplication_tables_check.php)

Very basic, but provides results showing the score and also which were correct/incorrect.

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

Children have their own log-ins for Maths Frame. This is a good resource as it allows you to put in which tables you need to work on eg 6,7,9 and the test will be based only on those tables. Simple to use - Results can be printed off.

<https://www.twinkl.co.uk/go/resource/multiplication-tables-check-practice-tg-ga-190>

Easy to use - Children have to complete the 3 practice questions before the start of the test.

Hi Everyone,

In June, the children will be doing their official Multiplication Tables Check. To help them with this we have been using various web sites that allow children to practice, and get used to, the pace of the test and also the format.

I hope these are useful. If you have any questions, please feel free to contact me or talk to me on Parents Evening (Monday 20<sup>th</sup> March 2023)

Thanks

Mr Nixon
